

Whacky Wednesdays

Now that the winter chills and wild weather has become a part of the cycling year, the GMBC crew will be riding road on a Wednesday night. This is our way of maintaining sanity through the muddy and cold months. The ride starts at Bicycle Superstore and Bike Hub alternatively each Wednesday night at 6pm. Rides will include Stieglitz, Ocean Grove and Barrabool Hills depending on the bunch organiser on the day. An email will go out previous to the ride on departure location and proposed route. The ride will then finish at Enzo's Italian Pizza on Pako in Geelong West.

The ride is free to all, GMBC kit is preferred. See you there!
