An Enduro race:

The aim of an Enduro race is to do as many laps as possible in the time allowed.

You must complete the first lap (with the Prologue component) to get a result. After that you can start and finish laps whenever you wish.

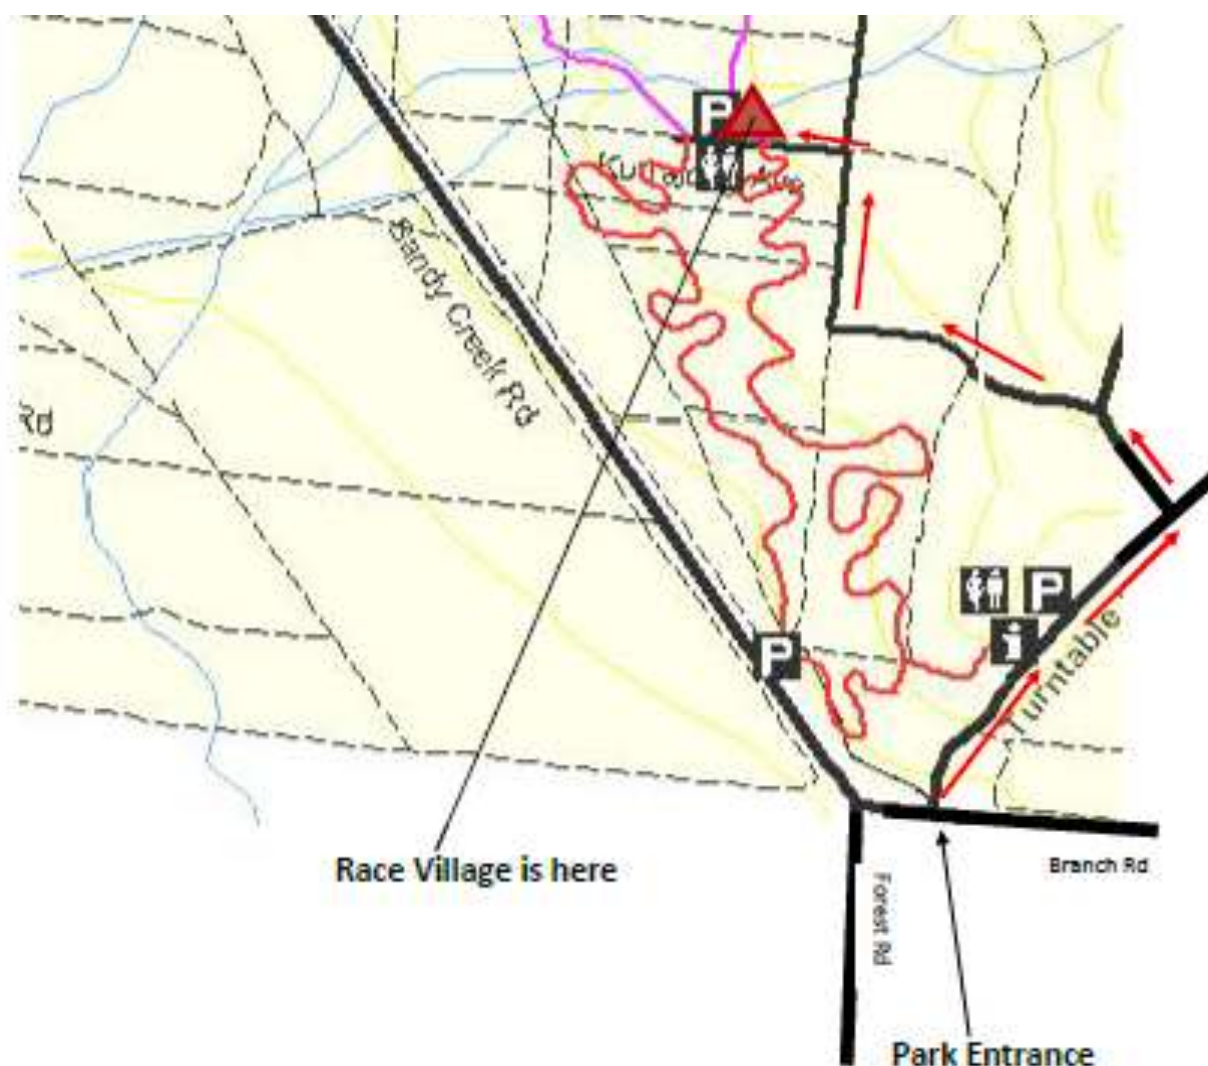

After the cut off time you will not be allowed to start a new lap, but if you have already started the lap before the cut off time, you will be able to complete the lap and it will be counted in your results.

If you stop riding before the cut off time, your laps will still count and you will get a result.

How to get to the event:

Start location: Kurrajong Picnic area, off Great Circle Drive,
You Yangs Regional Park.

Approximate travel times to event from:
Melbourne - 60-70 minutes, Geelong - 25-30 minutes.

From Melbourne:

Take the Princes Hwy to Geelong. Take the Little River exit, and travel along Little River Rd approx 2.8km, take a slight right to stay on Little River Rd. Little River Rd then turns slightly left and becomes River St. Turn right over the railway lines and then take the first left onto You Yangs Rd. Turn left onto Farrars Rd at the T intersection. From Geelong:

Head north towards Melbourne on the Princes Fwy. Take the Lara exit onto Forrest Rd. Continue straight ahead at the second round about at Station Lake Rd (or turn left at the round about to stock up on some food from Rods Bakery). Follow Forrest Rd Nth for 6.5 km and turn right into Branch Rd. The Park entrance is just on your left. Enter the Park, travel past the Rangers Station and turn left into Great Circle Drive (GCD). Follow GCD to the race area.

Trails:

GMBC provides funds for Parks Victoria to help maintain & build trails at You Yangs Regional Park. Part of every race entry fee is paid to Parks Vic as well as donations and money from grant applications. In the last few years we have raised over \$30,000 for trail building. You can also donate to the 'Trail Pig' at the race.
